

Modular Storage Units

USM Modular Furniture Haller was created with origins in architecture more than 40 years ago. The system is based on modular architectural structures combining elegance and technical perfection. Today it is considered a design classic and is on permanent display in The Museum of Modern Art in New York.

USM Modular Furniture Haller high grade steel storage units are available in a range of colours and sizes.

Interchangeable parts ensure long term flexibility to an ever changing environment.

Accessories include high security locking doors or keyless remote entry and seismic restraints.

USM product carries GREENGUARD indoor air quality certification.
